

A dramatic low-angle shot of a fire truck's aerial ladder extended high into the air. The ladder is white with red accents and is positioned diagonally across the frame. At the top of the ladder, a firefighter in a red helmet and gear is visible. A large, intense fire with bright orange and yellow flames fills the lower left portion of the image. A thick plume of white smoke or steam is being discharged from the top of the ladder, directed towards the upper left. The sky is a deep blue with some white clouds. The word "FIRE" is written in large, bold, orange capital letters across the middle of the image, partially overlapping the ladder and the smoke.

**FIRE**
